PRINCIPLES

Gallery in the dark

Card art is the only saturated thing at rest; UI recedes.

The wheel is the site

One interaction made luxurious — momentum you can feel, a snap you can trust.

Price is light

Value renders as heat; ember glow marks the chase cards.

Honest data

A timestamped, sourced snapshot. EUR never wears a USD tier.

PRICE TIERS — TCGPLAYER USD MARKET

T1 <\$1
#4B485A

T2 \$1-5
#56C271

T3 \$5-20
#3D9BE0

T4 \$20-75
